Subject: Re: BSA Code Review Reminder

submission.

the accuracy codes 9 are too weak.
codes of broadcasting practice

is it true.
in the true sense it does matter.

bsa want to release from reputable news agencies.

this is antidemocracy.

tv media should have ue education.
common sense

the distance of sun and stars.
icebergs are are metre or km km³.

search for yacht is sq nautical miles. km².

government superann or GOVT SUPERANN.
the listener knows common sense.
when radio nz is lying.

trillion dollars.
the number of zeroes is critical.

80% of complaints must upheld.

practice note #11 trivial is an idiot.
the examples are excellent complaints.

you hav 3000 chance of been hit by satellite.
is this true.

big Wednesday odds. the bigger the prize is it impossible.
the second highest prize is \$16 paid.

is it worth.

you can't get away with murder.
ABC said.

actually ABC something is nothing. it is just letters.

you gotta judge on merits.

junk mail
fonterrra.

standards are declining shit.

the values represented are against god and against planet.

alcohol tvnz hoskey.
cars petrol. consumerism.
commercial.
crime.

it is state broadcaster with appalling quality.
submission.

process is secret. not advertised.
yours 20/8/15.

Don S. mcD.onald ... is HaPPY to explain for you, please Quote the difficult Lines!
